BYD SEALION 7

PURE ELECTRIC PERFORMANCE

SEALION 7

BYD SEALION 7

Bold contours, aggressive silhouettes, and blazing colors unleash a torrent of dynamic power and fluid movement. Experience a new electric performance SUV with premium styling that is more than just a vehicle—it's a lifestyle statement.

ELEVATED OCEAN-INSPIRED FORM, PERFECTED THROUGH PRECISION

Its sleek, flowing lines and aerodynamic profile give the SEALION 7 a sporty, futuristic look that turns heads wherever you go.

DOUBLE-U FLOATING HEADLIGHT
The ocean-inspired dual U-shaped floating headlights

19" ALLOY WHEELS
The 19" wheels accentuate the vehicle's distinctive personality and style, complemented by fixed brake calipers

ELECTRONIC HIDDEN DOOR HANDLES
Electronically retractable door handles improve the aerodynamics of the vehicle, helping in maintaining low drag coefficient

KEYLESS ACCESS
Keyless access via an NFC card or your smartphone

GESTURE CONTROLLED TAILGATE
With an electric tailgate that opens with just a simple foot gesture

DYNAMIC WATER DROP TAIL LAMPS
Full-width tail lights are inspired by crashing waves

SPACE TO LIVE YOUR LIFE

With 58 liters of space in the front and 500 liters in the rear, expandable to 1,769 liters with the rear seats folded, the SEALION 7 offers the versatility needed for any adventure. To put it into perspective, the rear boot can comfortably fit 1 large 28-inch suitcase, 1 medium 24-inch suitcase, and 4 carry-on 20-inch suitcases—perfect for family trips or weekend getaways.

REINVENTING THE SENSES WITH A NEW LEVEL OF ASPIRATION

The interior of the BYD SEALION 7 embodies a sense of movement, suspension and volume to create a cohesive and immersive atmosphere.

ERGONOMIC & SPORTY 1ST ROW SEATING

Meticulously crafted to reduce noise, vibration, and harshness

SPACIOUS 2ND ROW SEATING

Exquisite seats decorated with water ripple quilting and double stitching

MULTICOLOR AMBIENCE LIGHT

Customizable 128 colors adaptive ambient lighting synchronized with the Dynaudio® audio system

50W WIRELESS CHARGER

Wireless charging with a smart ventilation system for a cooler, safer charge

LEATHER SEATS

Premium quilted genuine leather seats

12-SPEAKER DYNAUDIO® SOUND SYSTEM

High-fidelity sound from 12-Speaker Dynaudio® Sound System

VIEW WITHOUT COMPROMISE

Panoramic sunroof with an electric sunshade fills the cabin with natural light, creating a sense of openness and wonder for everyone on board.

SMARTER CONTROL FOR EVERYDAY DRIVING

Intuitive systems that adapt to you, so driving feels effortless in real-world conditions.

10.25" LCD INSTRUMENTATION

Displays critical driving information, including power consumption meter, speedometer, regenerative braking intensity, state of charge (SOC), and driving range

HI BYD

Intelligent voice control with more comprehensive function execution and more natural voice response

SEAT MEMORY FUNCTION

Intelligently memorizes and restores your preferred driver's seat and mirror positions, ensuring personalized comfort and a perfectly tailored driving experience

DRIVER FATIGUE MONITORING

Intelligent system that detects drowsiness and alerts you to stay safe and focused on the road

DOUBLE GLAZED GLASS

Sound proofing to reduce external noise and enhance the cabin's overall acoustics

15.6" ROTATING DISPLAY WITH ADAPTIVE TOUCH

The unique rotating screen is equipped with industry-leading intelligent voice control function

ADVANCED WINDSHIELD HEAD-UP DISPLAY

BYD SEALION 7 enhances driver convenience by projecting critical information, such as vehicle speed and ADAS features, with fully adjustable positioning for a seamless and comfortable driving experience.

RELIABLE SAFETY WITH 9 AIRBAGS

BYD SEALION 7 features driver and front passenger airbags, a front center airbag, and integrated side curtain airbags for the front and rear rows, providing complete protection for passenger safety.

ALWAYS TAKE THE POWER WITH YOU

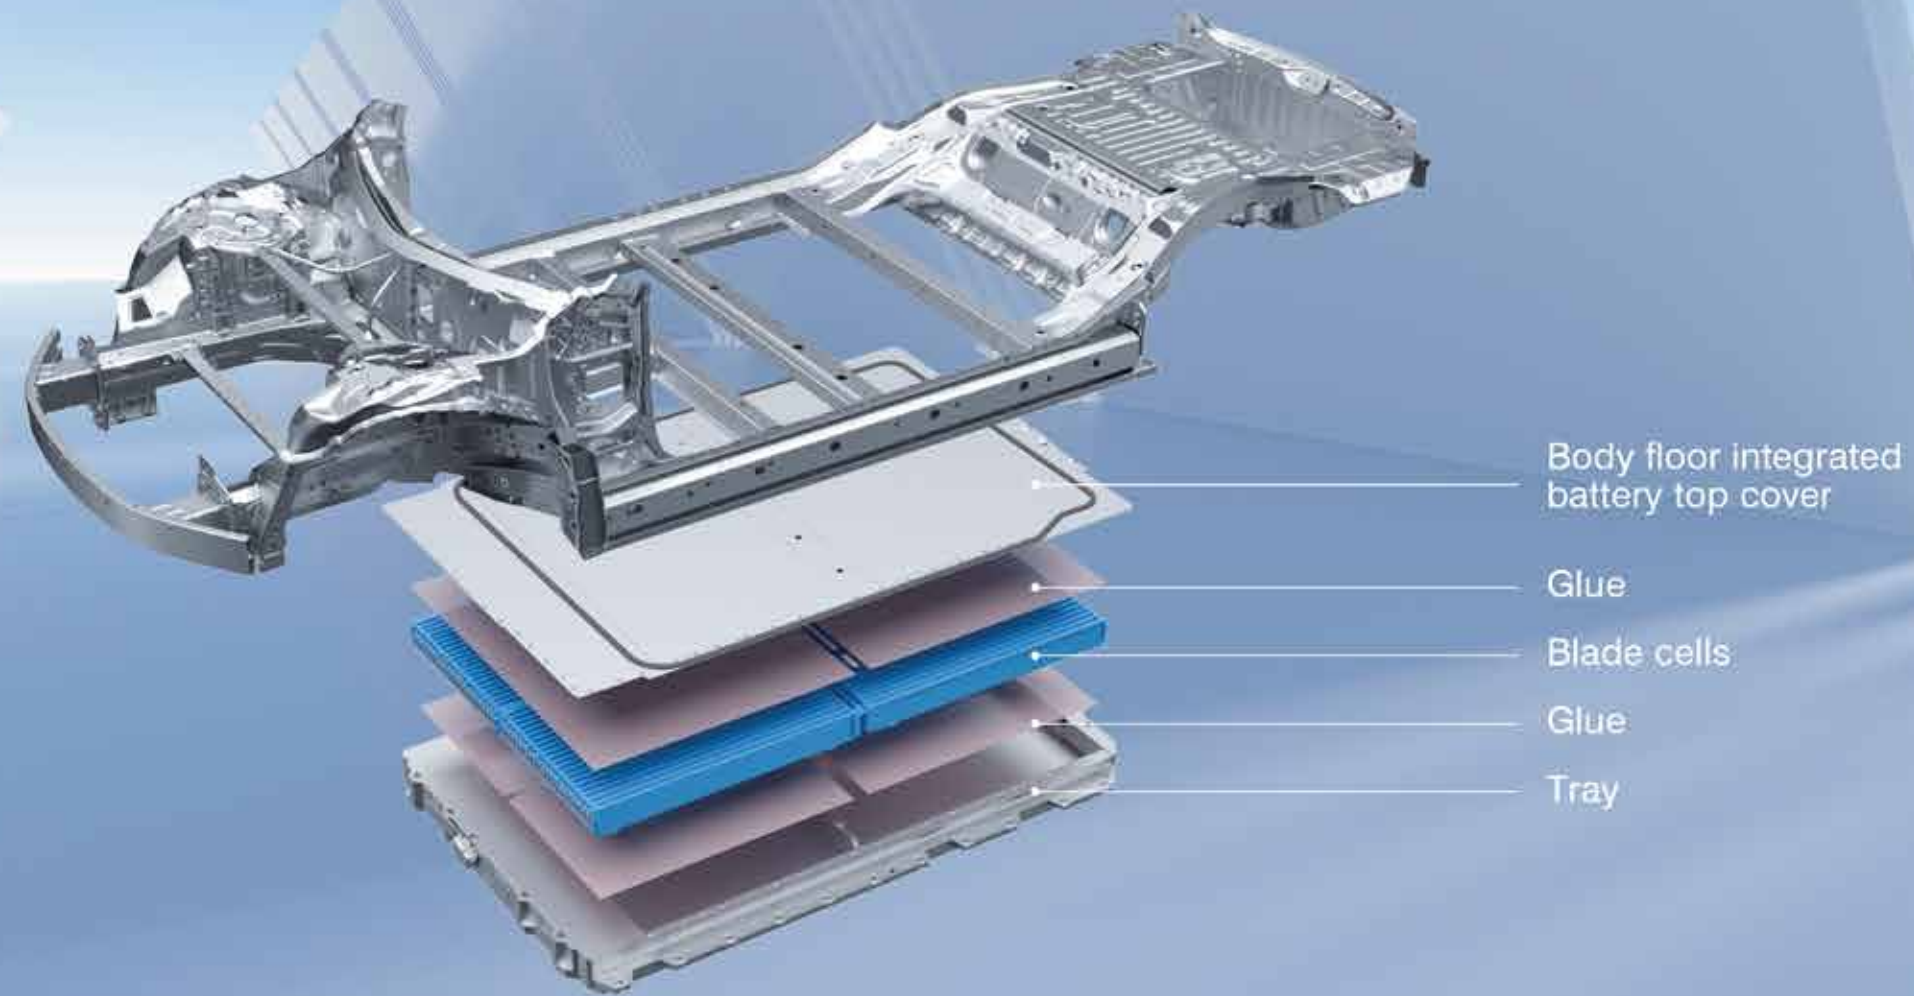

Vehicle-to-Load (V2L) allows the vehicle to be transformed into a super mobile power bank supporting power up to 3.3 kW.

e-PLATFORM 3.0 WITH CTB TECHNOLOGY

The BYD e-Platform 3.0 significantly enhances safety, stability, handling, and overall performance. The Cell-To-Body technology seamlessly integrates the battery with the vehicle's body floor, transforming the original battery pack's 'sandwich' structure into a comprehensive solution for the entire vehicle.

Our 8-in-1 Electric Powertrain is an advanced vertically integrated technology that combines 8 key components to optimize space utilization and energy efficiency.

BLADE BATTERY

BYD SEALION 7 comes equipped with Blade Battery technology, which sets new benchmarks and redefines the standards of EV safety.

ULTRA SAFE

Blade Battery successfully passed the nail penetration test, the most rigorous way to test the thermal runaway of batteries. It could be said that the nail penetration test is the “Mount Everest” of battery safety tests.

ULTRA STRENGTH

Blade Battery completed an extreme strength test which saw a 46-tonne truck drive right over it, once again resetting the bar for power battery safety.

ULTRA DRIVING RANGE

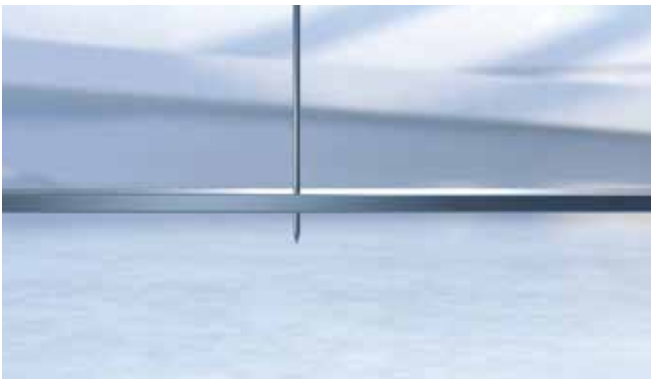

Blade Battery enables BYD SEALION 7 to have a NEDC driving range of up to 567 km.

ULTRA-HIGH POWER

Blade Battery technology enables BYD SEALION 7 to charge rapidly and achieve an acceleration of 0-100 km/h in under 6.7s.

ULTRA-LONG LIFESPAN

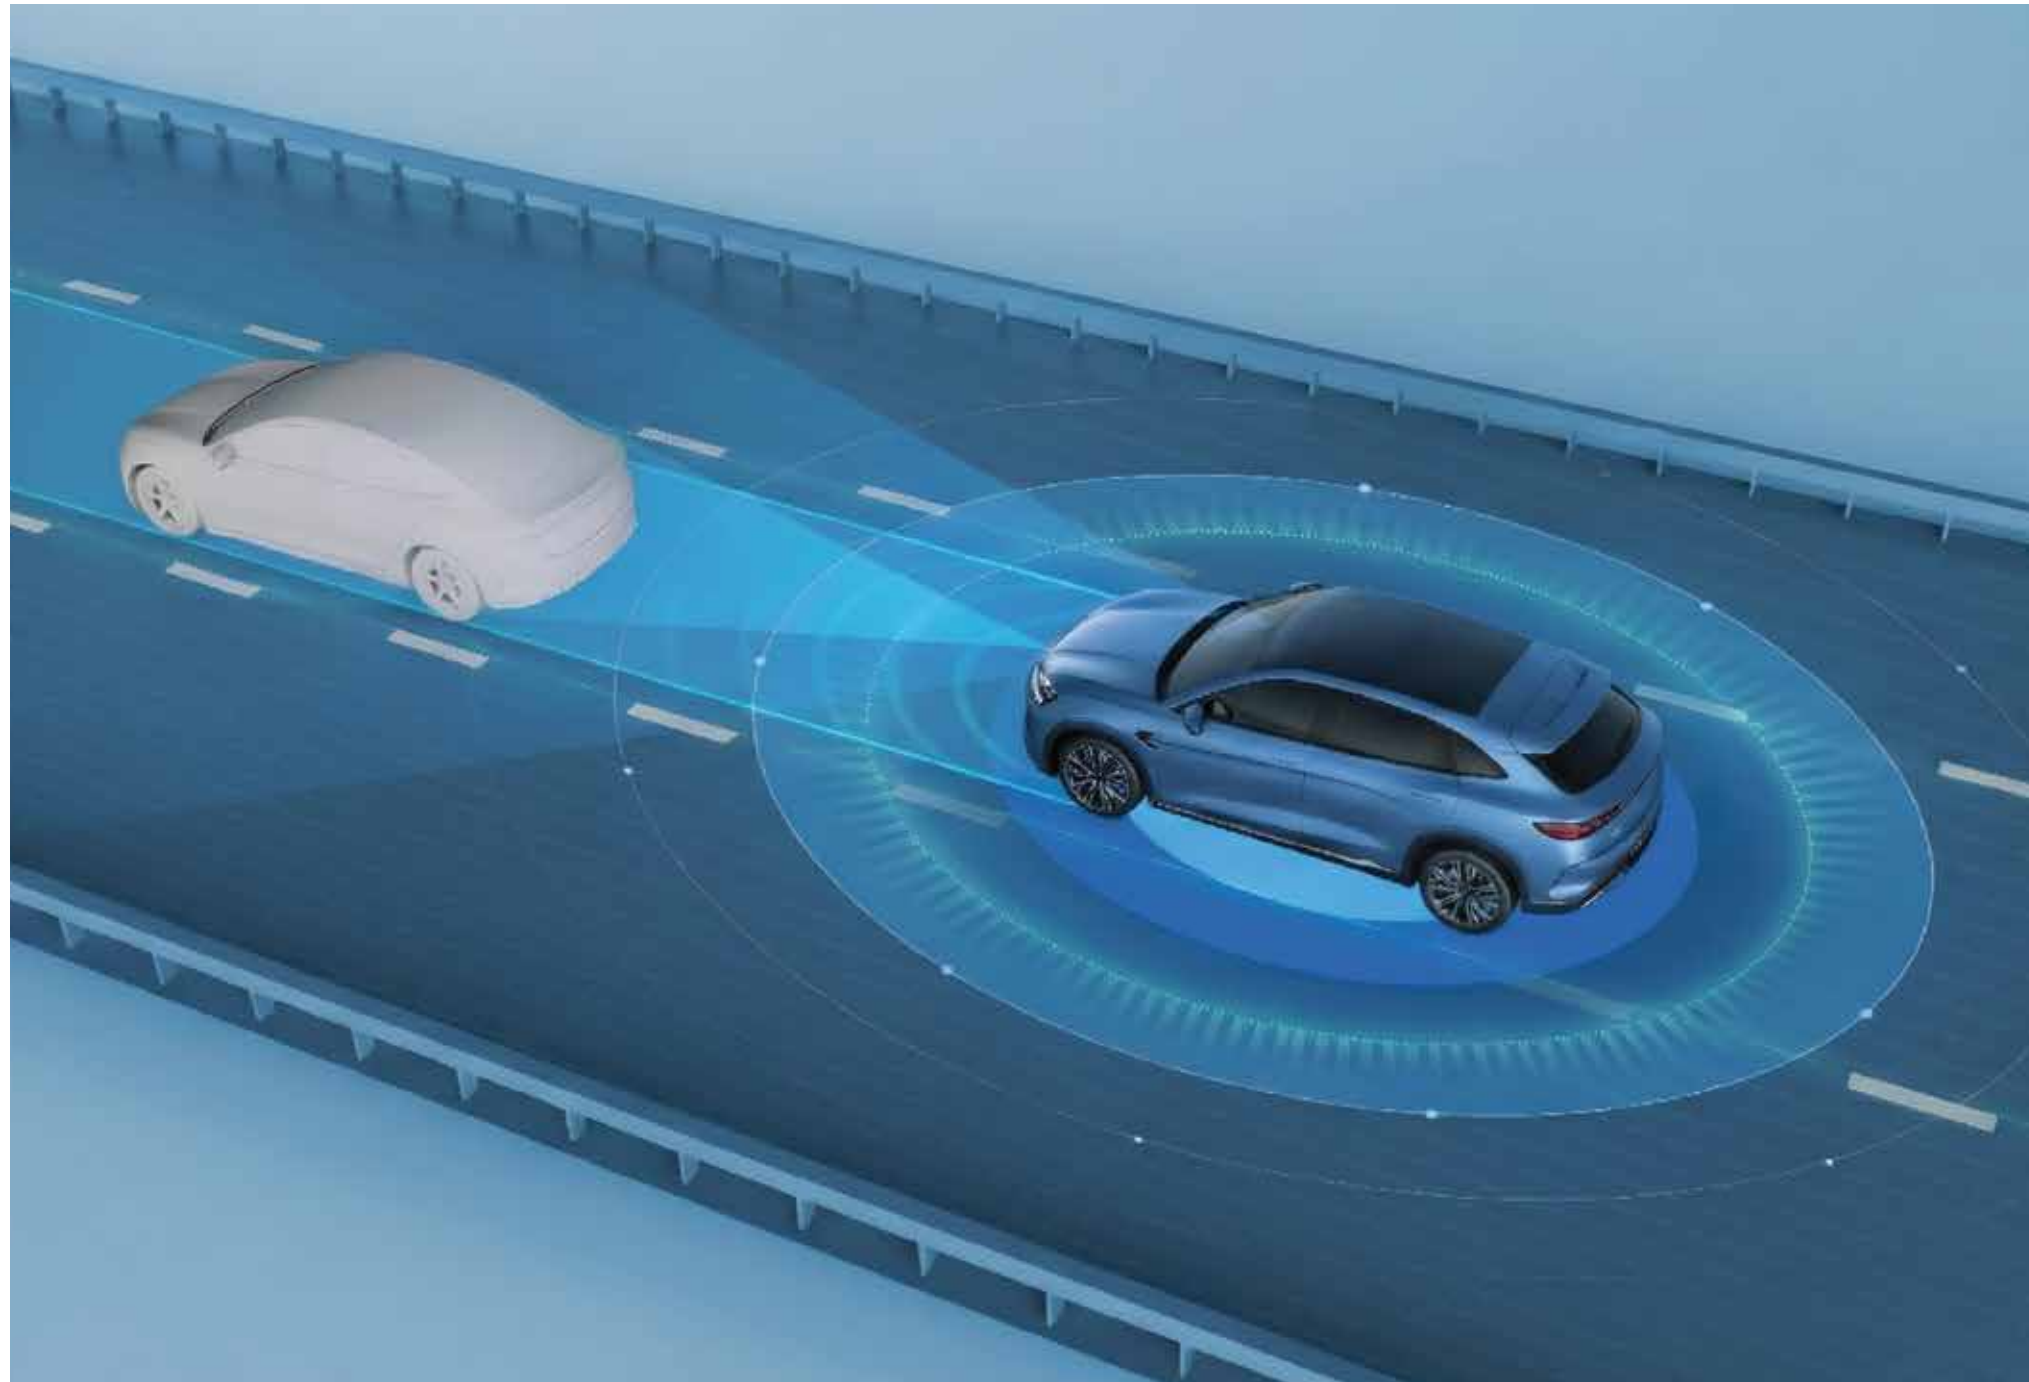

The Blade Battery lifespan can last for up to more than 3,000 charge cycles.

NAIL PENETRATION TEST

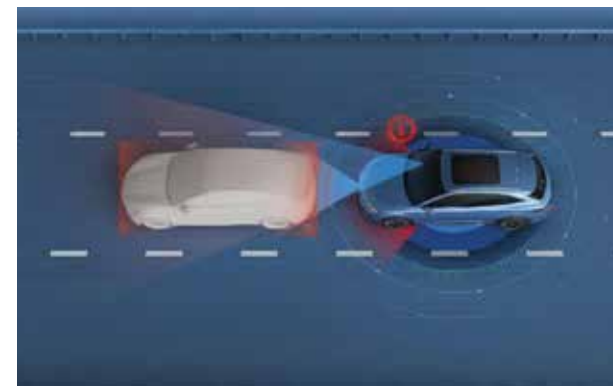

BYD BLADE BATTERY

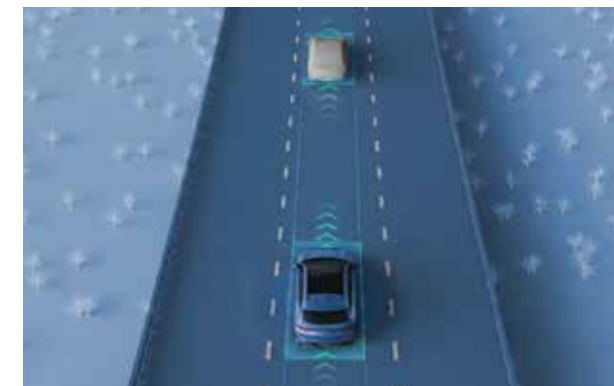

BYD ADVANCED DRIVER ASSISTANCE SYSTEM (ADAS)

The advanced driving system and multi-sensor layout deliver an intelligent, safe, and reliable driving platform, enhancing environmental awareness and offering robust safety solutions for the driver.

**AUTOMATIC EMERGENCY BRAKING
(AEB)**

**ADAPTIVE CRUISE CONTROL
(ACC)**

**BLIND SPOT DETECTION
(BSD)**

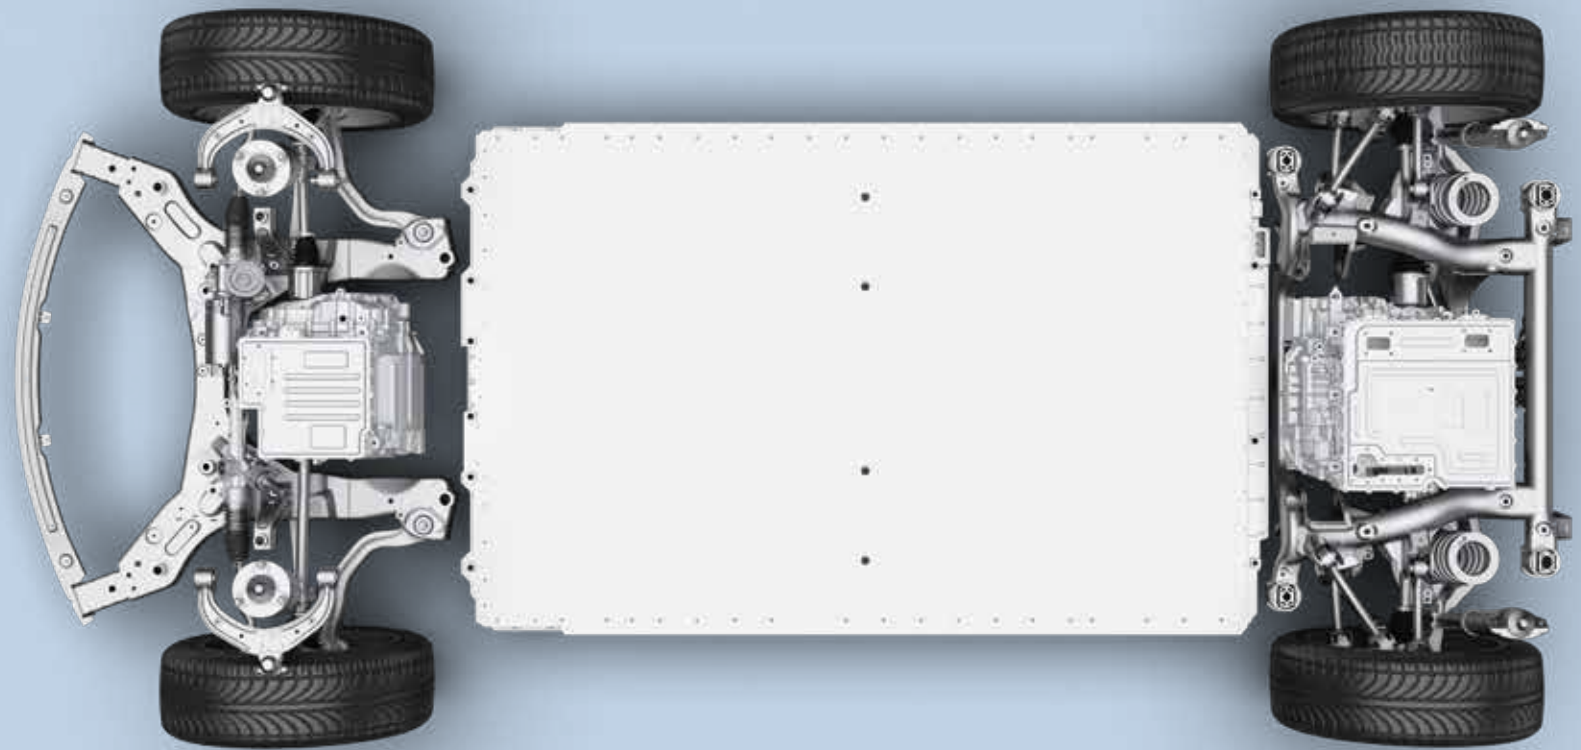

**DOOR OPEN WARNING
(DOW)**

**LANE DEPARTURE WARNING (LDW)
LANE DEPARTURE PREVENTION (LDP) &
EMERGENCY LANE KEEP ASSIST (ELKA)**

**REAR CROSS TRAFFIC ALERT (RCTA)
& REAR CROSS TRAFFIC BRAKE (RCTB)**

PRECISE HANDLING & COMFORTABLE DRIVE

The Double Wishbone suspension offers exceptional lateral support with precise, safe, and reliable handling, while the Five-Link suspension enhances driving stability.

High-strength forged aluminum alloy swing arms significantly boost comfort performance.

FREQUENCY SELECTIVE DAMPING (FSD) SHOCK ABSORBER

Perfect for potholes, heights, gravel roads and other road conditions, bringing a brand-new experience of driving comfort and control.

HIGH POWER AND TORQUE

Performance to the next level with 230 kW power and 380 Nm of torque.

TOP SPEED

Feel the thrill of 215 km/h effortlessly.
